

Itinerary Change (U328A/U330/U330A)

Please be advised that as a result of updated regulations involving environmental restrictions in the Svalbard region, we have adjusted your itinerary. **Zuiderdam's call to Longyearbyen, Norway on June 18 has been replaced** with a call to Alta, Norway on the same date, and scenic cruising of Liefdefd Fjord and the Polar Icecap on June 19 has been replaced with a call to Hammerfest, Norway. **We will no longer call to** Ny Alesund, **Spitsbergen,**

Norway on Tuesday, June 20, but will instead visit Trondheim, Norway on Friday, June 16 and Seydisfjordur, Iceland on Thursday, June 22. We have also added scenic cruising crossing the Arctic Circle during the Summer Solstice on June 21. We regret any disappointment these necessary changes may cause.

Holland America Line excursions booked for Longyearbyen and Spitsbergen will be refunded to the original form of payment; updated shore excursion information for our new ports will be available online within the next two weeks. The revised itinerary displays in full at the end of this notification.
